

Dear Parents,

December 2022

Early Bird registration for the school year 2022-2023 is now open. Please review the selections listed below. It is our goal to serve all families, providing a quality, faith-based part-day preschool program for your child and family. Forms may be returned through your child's school bag or mailed before December 31st to qualify for the Early Registration Discount.

Please note:

- Children are placed in a class based on their date of birth. The State of Virginia has established September 30th as the cutoff date for school registration. The CDC will follow this guideline for the purpose of aligning students with peers for preschool classes.
- Please consider your selections and return your registrations as soon as possible to ensure your child's spot for the new school year.

Friday Fundays Program – New to CDC

Friday Fundays are open to current CDC preschoolers enrolled in our 2's, 3's, 4's and PK classes seeking Friday care. Fundays consist of 10 extra days for the fall and 11 extra days for the spring semesters. Our first semester is from September-December and the second semester is from January-May. Children attend Fundays just like a typical preschool day from 9:15am-1:00pm. Registration for this group will open August 1st for both fall and spring semester.
